The bibliography should be hierarchically ordered followed by its concluded year. This is an example of a citation of International Legal Documents[10] Indonesian Constitution[11], Laws[12], Government Regulations[13], and Presidential Decree[14].

4. CONCLUSION

It contains things that state the relationship between the variables studied and suggestions that need to be explained related to the chosen writing theme. Made in paragraph style, not in the form of pointers. Conclusions must answer the problem and research objectives. The conclusion is neither a summary nor a rewrite of the abstract or discussion. The first paragraph is written left aligned, straight with the chapter title. Paragraphs using a special first line 1 cm paragraph format (11pt Times New Roman, 1 space).
